

## **Admission Process**

1. There will be entrance exam for admission and admission is granted on the basis of result of the entrance exam.
2. Parent seeking their ward's admission in the school must purchase admission form and take the syllabus for entrance for the desired class.
3. The child will be given two days to prepare for the entrance from the date of purchase of form.
4. The child must prepare before appearing for the entrance exam.
5. Class will be granted as per the age criteria.
6. It is must to submit all the required documents for the admission process.
7. If the child has a learning gap of 1year due to pandemic condition then this will be taken in consideration at the time of admission.
8. Taking the admission form or giving entrance exam does not confirm admission in any case.
9. Admission is confirmed only when the entrance is qualified, fee is submitted and documentation is complete.
10. At the time of admission class will not be granted as per the will of the parent.
11. The decision of the Principal will be final for admission. Kindly do not approach the Principal for promotion in mid session.
